20 “time flies”

WE LIVE IN A WORLD WHERE WE SEND TWEETS THAT LAST FOR A FLEETING MOMENT IN CYBERSPACE. MINUTES AFTER AN EVENT HAPPENS, WE POST THE IMAGES AND EXPRESS OUR OPINIONS...

We can be across the ocean and in another country in a matter of hours. With this ability to do things faster than ever before, you wouldn't imagine that "time" would still appear at the top of our 'most-wanted' lists. But it does. We still consider time to be one of our most valuable resources.

At russell+hazel we love this notion of time as pure luxury, an intangible that holds such intrinsic value. So this holiday season, we toast time! Take time to visit with a friend, send a note to a colleague, and time to reflect. While we cannot offer you time as a gift, we can create items that make a salutatory nod to father time.
