Major in Style this season with the launch of the russell+hazel shop In Pulp Fashion!

Now those that reside on the east side of town have a place to go for office organization and accessories.

Minneapolis, MN (Spring 2009)

The Best of Both Worlds

The Twin Cities of Minneapolis and St.Paul have always offered their residents the best of both worlds - two distinct cities with double the usual fare of indie boutiques, gourmet shops and restaurants. russell+hazel has opened up it's second location, in historic Stillwater offering those that live on the east side of the river a reason to cheer.

The charm of main street meets the function and fashion of russell+hazel. Pulp Fashion, the purveyor of everything paper, just completed a new look which includes a russell+hazel shop. You'll find everything you need to complete your work space and become organized at every turn. Jennifer Norman, manager of Pulp Fashion, states, "Now we have something for everyone looking to have the right work tools. russell+ hazel is the quintessential brand for becoming more productive and well accessorized."

With new and exclusive products the store is a year-round destination for shopping, events and ideas. Updated seasonally, the russell+hazel flagship store is set for spring, with fresh assortments for gifts and office updates.
