RUSSELL+HAZEL

You loved the first day of school, with its unsullied notebooks. You only write in black ink. You have a thing for... office supplies. Don't worry, productivity pilgrim, you're not alone. The recently expanded Russell+Hazel flagship store at 44th and France—the self-proclaimed “center of the work/style universe”—is your Mecca. Their streamlined, savvy design elevates the everyday (paper, binders, organizational accessories) into tokens of efficiency and whimsy. russellandhazel.com
